General

The dress code will be in effect and enforced at all times when on the main tournament floor. This includes during all competition and practice, including mini-tournaments and special events.

A player who attempts to compete or practice while not in dress code will be required by a referee to comply with the dress code before continuing to play or practice.

Any player found in violation of the dress code will be given 15 minutes to correct the violation (during match play) and return to the match site. If not back in 15 minutes, the player will lose one game of the match, and will lose one additional game for each additional five minutes until he or she returns. A team captain may not substitute another player for a player found in violation of the dress code until after the player returns in proper attire.

Players or teams may protest an opponent's dress code ONLY before the match begins. All players must abide by the tournament dress code. Referees are the final authority on dress code at all times. Referees may require immediate compliance or compliance at their discretion.
